

DB Engineering & Consulting GmbH

Senior Rolling Stock Manager (f/m/d)

Job-ID: EC01867

Region: Israel

Railways for the world of tomorrow!

DB Engineering & Consulting (DB E&C) is a part of the **DB group**, a world leading global railway company with an extensive organization in Germany and projects around the world. Our company offers technically sophisticated and customized infrastructure, mobility and transport solutions. With our sustainable concepts, gained from our experience in project work for decades, we ensure the future success of economic regions, make important contributions to the protection of the environment and help shape the world of the future. We represent 180 years of rail experience and our infrastructure projects connect continents. We set the standard for transportation and modern mobility.

For our electrification project in Tel Aviv, we are looking for a Senior Rolling Stock Manager. Your tasks will be as follows:

Your responsibilities:

- Technical management expertise concerning electrical rolling stock
- Coordination and collaboration with E-Locomotive supply project
- Review of technical documents from the technical review team and suppliers
- Participation in project management meetings with the client and suppliers
- Technical evaluation of tenders, variations, changes and non-compliances as well as technical recommendations
- Coordination and consultancy regarding technical integration and retrofit of ordered rolling stock
- Assure verification and validation of new and retrofitted rolling stock
- Supporting the project team, consultants and suppliers with statutory approvals and interface resolution
- Coordination of the Homologation process until the Permission to Operation
- Execution of risk analysis and to advice necessary counter measures

Your Profile:

- University degree (B.Sc./M.Sc.) in Electrical or Electro-Mechanical Engineering
- At least 10-15 years of experience in railway projects
- Long standing experience in electrical rolling stock
- Familiarity with standardization and norms, incl. European norms (EN, TSI)
- Willingness to re-locate to Israel for at least 2 year
- Very good English skills

DB Engineering & Consulting GmbH
